Notes to Applicants for Supply of Electricity from CLP:

1. Where supply is required for isolated structures in remote areas, a location sketch should be provided to facilitate CLP to determine the supply point.
2. The connection of any electricity installation to CLP's supply mains shall not occur until the installation has passed inspection by CLP. Before a CLP inspection takes place, the applicant shall ensure that appropriate tests and inspections shall be made by a Registered Electrical Worker (REW) of a Registered Electrical Contractor (REC) employed by the applicant to verify that the relevant provisions of the Supply Rules of CLP and all statutory requirements have been met.
3. The applicant or his/ her REW/ REC shall provide CLP with a copy of the Work Completion Certificate (Form WR1) signed by the REW/ REC and the REW/ REC should be present on site during the installation inspection.
4. By applying for the supply or the transfer of supply of electricity or by obtaining or using electricity from CLP, customers agree to be bound by and shall comply with the Supply Rules as revised from time to time. The Supply Rules shall also be applicable to any person actually obtaining or using electricity from CLP's account. Electricity deposit can only be refunded to CLP's Registered Customer after termination of the account. The Supply Rules are available from www.clponline.com.hk or please call 2678 2678 to obtain a copy.
5. CLP has a Customer Personal Data Policy Statement, according to the requirements of the Personal Data (Privacy) Ordinance. A copy of the statement can be obtained by downloading from www.clponline.com.hk, faxing to 2678 6368 or calling 2678 2678. If you do not wish your personal data to be used for the purpose of direct marketing by CLP, please write to Data Protection Officer: CLP Power Hong Kong Limited, 13/F., 6 On Lai Street, Shatin, N.T.
6. For a low-voltage 3-phase new supply application with demand less than **250kVA**, the following workflow illustrates the typical steps and external network connection works involved. Customer can submit application for power supply via the following means:
 - CLP info-Line at Tel. 2678 2678 (24 Hour)
 - [CLP Online](#)
 - [Business Centre](#)
 - [Customer Service Centre](#)
 - [Enquiry eForm](#)

7. For details on Electricity Supply to Low-rise Warehouse Development, please refer to the [Guidance Note](#).
